The personal representative affirms, under penalty of perjury, that the foregoing account is true and accurate to the best of his knowledge and belief. He has detailed records in his possession to verify the same and will make them available for inspection to persons with a right to review them or to the court upon written request.

Dated: _____

Personal Representative

Name, address and telephone number of attorney, if any.

¹ An accounting may be required under an interim order, for purposes of granting consent or approval under 18-A MRSA § 1-108, in connection with a discovery proceeding under 18-A MRSA § 3-110, in connection with the closing of an estate under 18-A MRSA § 3-1001 or § 3-1002, or in other circumstances.

² If real estate is sold by the estate and the proceeds of the sale are added to the estate, these proceeds should be included as income. This account need not include any reference to real estate which was distributed in kind or which is still held by the personal representative. Additional or newly discovered property which was not included in the inventory should not be listed as income. Rather, the inventory should be amended by a separate filing.

³ No forms are provided for the Schedules.

⁴ See 18-A MRSA §§ 2-401 *et seq.*

⁵ Item 4(a) must be checked if this is a final account.

I certify that no alteration has been made to the official form as most recently approved and promulgated by the Supreme Judicial Court. I also certify that I have met the standards under M.R.Prob.P. 84(b).
